

# 2010 Sportfishing Summit

October 26–28, 2010 | Westin Beach Resort | Fort Lauderdale, Florida

## Recreational Opportunities

Information about recreational opportunities at the Westin Beach Resort can be found online at [www.westin.com/fortlauderdalebeach](http://www.westin.com/fortlauderdalebeach).

Greater Fort Lauderdale is one of the few areas in the world where both freshwater and saltwater fishing are within 20 minutes of the angler. In addition to more than 200 freshwater species that can be caught in the county's lakes, there are deep water fishing fleets located in each of the six cities that line the Atlantic coast plus four municipal piers.
