Nominations for the Norville Prosser and Future of Fishing Awards

The American Sportfishing Association has two awards - the Norville Prosser Lifetime Achievement Award and the Future of Fishing Award – to recognize significant contributions to sportfishing.

The Norville Prosser Lifetime Achievement Award honors an individual who has shown extraordinary leadership throughout his or her career in promoting the values of sportfishing and advancing collaborative approaches to conservation and recreation causes.

The Future of Fishing Award is given to an individual or organization that has made a special contribution to advancing fishing participation. This award recognizes significant contributions to foster new anglers, encourage family fishing, and promote community involvement in fishing events.

Nominations should consist of no more than 250 words on why your nominee should receive either award. **Please e-mail or fax your nominations to Mike Leonard, Policy fellow, by September 25, to mleonard@asafishing.org, or fax to (703) 519-1872.** For more information, call Mike at (703) 519-9691, x230. Please feel free to include letters of support or other support documents.
